Rent - JustCo @ 120 Robinson Road

Jack and I got in contact since August/September 2015, when I was still in my previous company looking out for a new office space. He was very prompt in his responses and took down all my requirements accurately. In less than half a day he managed to get half a dozen office space vendors to call me and I was really impressed with his speed of work. Though things did not work out as my previous company ceased operations before I signed a contract, Jack still kept in contact with me on my personal email.

I ended in a new company that has a set of new requirements for the office space and Jack again promptly took down all the details, getting a few established companies in touch with me and within 2 weeks I signed the offer with JustCo.

Thank you Jack, I am very grateful and happy with your assistance!

Sold - Duxton Road Shophouse

We would like to commend & congratulate Jack Siew from Corporate Visions for the exceptional work he did on the sale of our Shophouse in Duxton Road despite the market being not at its peak.

Though Jack has always been a reliable, honest, positive and diligent agent on other transactions that we collaborated before, this particular sale has surpassed our expectations.

We are impressed with Jack's "never give up" attitude and the initiative to perform additional tasks outside his scope to help us achieve our target sale.

We sincerely believe that Jack deserves congratulations for performing the job beyond expectations.

A very Happy and Satisfied Client,

Excellent Service from OfficeRent.Sg!

To Whom it May Concern:

I will like to commend the excellent professional services brought forth by the team in OfficeRent.Sg. I have an industrial property in the Ubi area for Sale/Rent and approached OfficeRent.Sg to help market the unit. This was in May 2013. I am impressed by their various channels (especially via digital) to market my property and they took pains to make sure all information is accurate and up to date before they advertise on their digital platforms. All through, the email communication was smooth and responsive and they gave excellent information on the FAQs on rental processes.

I was introduced to one of their agency partners (Corporate Visions) shortly and Jack Siew is a wonder. He

managed to sell my unit (highest price on the level) within 3 months! I will also like to extend my sincere thanks to Jack for his commitment and expertise in assisting me to sell the unit despite various cooling measures taking place, especially in the last 2 months. This is my first industrial property investment and I am glad to have been introduced to Corporate Visions via OfficeRent.Sg. I will highly recommend Jack to anyone who needs a knowledgeable and hardworking agent to work with.

Thanks OfficeRent.Sg for the great work!

A Grateful and Satisfied Client,
